

Concerned Citizen Groups Retained Counsel

Lowerre, Frederick, Perales, Allmon & Rockwell

Austin

Frederick represented citizen opponents of the once-proposed radwaste site in Sierra Blanca.

Perales represents Sierra Club in two pending district court cases involving WCS Andrews County permits.

Lowerre represented counties and citizen opponents of several proposed mill tailings or other radioactive waste disposal sites in the '80s and early '90s.

Kaufman & Eye

Kansas

In the 1990s, Bob Eye represented Save Boyd County Association in its successful opposition to a planned Nebraska radwaste site and Nuclear Awareness Network in similar opposition in Kansas.
